## President's Message

I would like to thank all of the friends that have given me the opportunity to lead our group this season. I am looking forward to what I hope will be an exciting year of planning, activities, and fun!

I am happy to report the success of our ice cream social gazebo concerts, as well as our participation in the 4<sup>th</sup> of July parade this summer, where we successfully connected with the community, raising awareness, and appreciation for all that we do.

Sincerely,

Lisa Ball
