For the purpose of providing funds for the support of a public transportation system serving the elderly, disabled and general public of the County of Oakland, as a renewal and increase of the mills which expired with the 2013 tax levy, shall the limitation on the amount of taxes imposed on taxable property in the Oakland County Public Transportation Authority area be renewed and increased from .59 mills (59 cents per \$1,000 of taxable value) to 1.0 mills (\$1.00 per \$1,000 of taxable value) for four (4) years, 2014 through 2017, inclusive? It is estimated that 1.0 mills would generate approximately \$27 million when levied in 2014.
