Proposal Section	
Authority	
Oakland County Public Transportation Millage Renewal	
If approved, this proposal will renew and increase the .9863 mills formerly authorized to 1.0 mills for the years 2018 through 2021, and allow continued support to the Suburban Mobility Authority for Regional Transportation (SMART) for a public transportation system serving the elderly, disabled, and general public of Oakland County.	
For the purpose of consulting funds for the support of a public transportation system serving the elderly, disabled, and general public of the County of Oakland, as a renewal and increase of the .9863 mills which expired with the 2017 tax levy, shall the limitation on the amount of taxes imposed on taxable property in the Oakland County Public Transportation Authority area be renewed and increased at 1.0 mills (\$1.00 per \$1,000 of taxable value) for four (4) years, 2018 through 2021, inclusive? It is estimated that if approved this millage will raise approximately \$31 million in the first year.
